COMP PAC Silent Auction!

The ASIA Summer Conference keeps getting bigger and better each year. Last year we had over 600 people attend the Conference to learn something new, meet at least one new industry contact, find at least one new supplier, vendor or product and to have fun.

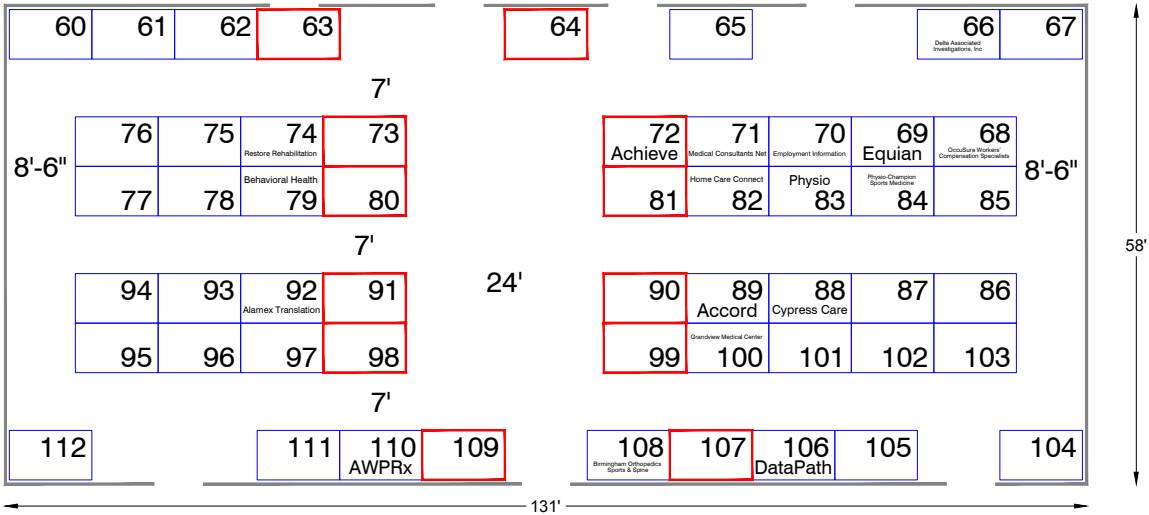

This year our Program Committee has again planned a Silent Auction to help fund COMP PAC, our political action committee. All attendees are encouraged to bring a gift to be placed in the silent auction. The most popular items are home decorative pieces, power tools, recreational items like gold clubs, tennis rackets, fishing rods and reels.

Each vendor is also be asked to donate an item. Vendor items will be placed at the vendor's booths, so the more popular the item, the more traffic at their booth. It will be fun and should help COMP PAC rebuild its balance.

We think this will add even more fun and excitement to the Conference. We encourage everyone to purchase a ticket.
